AYSO FLEX™

Introducing AYSO Flexible Primary Program Pilots

AYSO FLEX™ is the umbrella name for optional player opportunities that enable Regions, Areas and Sections to choose programs that best serve their local needs.

Under AYSO FLEX™, in 2009 a new optional program called AYSO EXTRA is being piloted. It will provide registered AYSO players options for participation in a more challenging playing environment during the primary season. EXTRA joins AYSO's other optional primary programs including U-5, U-16/19 Experimental and VIP. It is a new program that is designed for players who have the interest, skills and abilities and want to enhance their experience and individual growth through soccer while retaining the spirit of and organization membership in AYSO. The goal is to strengthen AYSO by recruiting and retaining players and volunteers through providing more competitive play the AYSO way.
